Dear Parents/Caregivers,

Mount Barker South Primary School staff and students will be celebrating Book Week beginning Monday 19th August and commencing Friday 23rd August. This year’s Book Week theme is ‘Read across the Universe’. Students will be involved in a variety of activities ranging from in-house authors visits, to viewing a play hosted by Splash Theatre at the Mount Barker Library. All classrooms will be accessing Book Week resources via our school library and through various online resources relating to this year’s Book Week theme.

Mount Barker South Primary School would like to invite any interested parents/caregivers/friends who would be interested to come along in Book Week and read their favourite children’s story to their child’s class. If you would like to read your favourite book please speak with your child’s classroom teacher to negotiate a time in Book Week to celebrate this special event.

On Friday 23rd August we will be hosting a special Book Week Assembly. Our Assembly will begin at 2:15pm in the hall and students are invited to dress up as their favourite book character or hero.

We hope to see you come along to our Book Week Celebrations.

Kind regards,

Mount Barker South Primary School Staff
