BETTER SCHOOLS AGREEMENT FOR 2016

Mount Barker South Primary School will receive $12,596

This funding is intended to contribute to:

100% of year 7 students reach NMS in Writing, Spelling and Grammar
100% of students meet the NMS in Writing in year 3.
An increase from 33% making upper growth in Reading to 50% in year 7.
An increase from 36% making upper growth in Numeracy to 50% in year 5
100% of year 2 students reach benchmark 26 - 30 in Reading by the end of term 4.
All ATSI students meet NMS or above in years 3, 5 and 7.

Our strategy will be to:

Illustrative examples-
1. Further implement the whole school 3 wave intervention approach in both Literacy and Numeracy and track and monitor all students at fortnightly team mtgs using the MTB South standards documents.

2. All students across the school set and review fortnightly Literacy and Numeracy learning goals linked to their data and the wave targets.

3. Utilise a Numeracy coach (Rosslyn Shepherd) to support staff to implement high yield pedagogical approaches in all lessons.

4. Enable all staff to engage in rigorous, ongoing professional development in teams with in house release to undertake instructional rounds to review practice.

A description of the planning and monitoring associated with these strategies will be included in the 2016 School Annual Report.
