Welcome to National Science Week 2014 at Mount Barker South Primary School.

As a school we are celebrating Science week in week 7. All of our students will be participating in a workshop in the science strand of “Physical Sciences” throughout the week.

Students will be attending the following Science Workshops.

- MPC "Motion Madness"
- Room 5 and Room 1 "Making Forces Work for You"
- Room 7 "Making Forces Work for You"
- Room 13 "Robotics"
- Room 6 and Room 4 "Making Forces Work for You"
- Room 15 "Electric Circuits Workshop"

We would like to invite all members of our school community, Parents, grandparents, family and friends to attend our SCIENCE ASSEMBLY On Friday 5th September At 2:30pm In the School Hall.
